

- TASTE THE DIFFERENCE -

MODEL 876B & 876BRH with Refrigerated Hopper

Fast, easy, portion-controlled, labor saving frozen cocktails from a machine that will last! This high-volume, counter-model cocktail freezer is pre-set for a high-quality, thicker consistency beverage, perfect for premixed cocktails like margaritas, daiquiris and spiked teas. The large visual product window provides excellent display and merchandising of fun beverage colors. Product viscosity, or thickness, can be manually adjusted to dial-in beverages to your serving requirements. The 876B can be water-cooled for large banks of machines in operations like daiquiri bars. There is an option for a refrigerated hopper (BRH) for serving real fruit or dairy mixes, like frozen cappuccinos! This model is perfect for bars, nightclubs, Mexican restaurants and taquerias.

MODEL 877B & 877BRH with Refrigerated Hopper

Fast, easy, portion-controlled, labor saving frozen cocktails from a machine that will last! This counter-model cocktail freezer produces the same high-quality cocktails as the 876B but at a size that's perfect for operations that do not require the volume. The pre-set thicker consistency is perfect for premixed drinks like margaritas, daiquiris and specialty cocktails. The large visual product window provides excellent display and merchandising of fun beverage colors. Product viscosity, or thickness, can be manually adjusted to dial-in beverages to your serving requirements. There is an option for a refrigerated hopper (BRH) for serving fruit or dairy mixes, like frozen cappuccinos! This model is perfect for bars, nightclubs, Mexican restaurants and taquerias.

The Electro Freeze Advantage

- **Product Consistency Control** provides a smooth frozen product with tiny uniform ice crystals.
- **Minimal Maintenance**, simple to operate and easy to clean.
- **Add to Your Profits** with the sale of frozen beverages producing large profit margins.
- **Experience Tells** Electro Freeze has been manufacturing quality frozen treat machines since 1929. Superior engineering, product innovations, sturdy construction, quality craftsmanship and dependable performance are Electro Freeze hallmarks.
- **Superior Service Support** backed by a worldwide distributor network.
